Re: Requested Adoption Under Section 252(i) of the TA96

Dear Mr. Hammock:

Verizon New England Inc., d/b/a Verizon Maine ("Verizon"), a New York corporation, with principal place of business at 185 Franklin Street, Boston, Massachusetts 02110, has received your letter stating that, under Section 252(i) of the Telecommunications Act of 1996 (the "Act"), Southwestern Bell Communications, Inc. d/b/a SBC Long Distance ("SBCS"), a Delaware corporation, with principal place of business at 5850 W. Las Positas Blvd., Pleasanton, California 94588, wishes to adopt the terms of the Interconnection Agreement between BullsEye Telecom Inc. ("BullsEye") and Verizon that was approved by the Maine Public Utilities Commission (the "Commission") as an effective agreement in the State of Maine, as such agreement exists on the date hereof after giving effect to operation of law (the "Terms"). I understand SBCS has a copy of the Terms. Please note the following with respect to SBCS' adoption of the Terms.

1. By SBCS' countersignature on this letter, SBCS hereby represents and agrees to the following six points:
  - (A) SBCS adopts (and agrees to be bound by) the Terms of the BullsEye/Verizon agreement for interconnection as it is in effect on the date hereof after giving effect to operation of law, and in applying the Terms, agrees that SBCS shall be substituted in place of BullsEye Telecom Inc. and BullsEye in the Terms wherever appropriate.

(B) For avoidance of doubt, adoption of the Terms does not include adoption of any provision imposing an unbundling obligation on Verizon that no longer applies to Verizon under the Report and Order and Order on Remand (FCC 03-36) released by the Federal Communications Commission ("FCC") on August 21, 2003 in CC Docket Nos. 01-338, 96-98, 98-147 ("Triennial Review Order"), the decision of the U.S. Court of Appeals for the D.C. Circuit in its Opinion and Order in United States Telecom Association v. Federal Communications Commission, 359 F.3d 554 (D.C. Cir. 2004) ("USTA II"), or that is otherwise not required by both 47 U.S.C. Section 251(c)(3) and 47 C.F.R. Part 51.

(C) Notice to SBCS and Verizon as may be required under the Terms shall be provided as follows:

- (D) SBCS represents and warrants that it is submitting the Terms as part of its application to become a certified provider of local telecommunications service in Maine. SBCS further represents and warrants that it will be a certified provider of local telecommunications service in the State of Maine prior to offering any services and that its adoption of the Terms will cover services in the State of Maine only.
  - (E) In the event an interconnection agreement between Verizon and SBCS is currently in effect in the State of Maine (the "Original ICA"), this adoption shall be an amendment and restatement of the operating terms and conditions of the Original ICA, and shall replace in their entirety the terms of the Original ICA. This adoption is not intended to be, nor shall it be construed to create, a novation or accord and satisfaction with respect to the Original ICA. Any outstanding payment obligations of the parties that were incurred but not fully performed under the Original ICA shall constitute payment obligations of the parties under this adoption.
  - (F) Verizon's standard pricing schedule for interconnection agreements in the State of Maine (as such schedule may be amended from time to time) (attached as Appendix A hereto) shall apply to SBCS' adoption of the Terms. SBCS should note that the aforementioned pricing schedule may contain rates for certain services the terms for which are not included in the Terms or that are otherwise not part of this adoption, and may include phrases or wording not identical to those utilized in the Terms. In an effort to expedite the adoption process, Verizon has not deleted such rates from the pricing schedule or attempted to customize the wording in the pricing schedule to match the Terms. However, the inclusion of such rates in no way obligates Verizon to provide the subject services and in no way waives Verizon's rights, and the use of slightly different wording or phrasing in the pricing schedule does not alter the obligations and rights set forth in the Terms.
2. SBCS's adoption of the BullsEye Terms shall become effective as of August 27, 2004. However this adoption shall not become effective until SBCS has received approval of its application to become a certified provider of local telecommunications services from the State of Maine. Verizon shall file this adoption letter with the Commission promptly upon receipt of an original of this letter countersigned by SBCS as to the points set out in paragraph one hereof.

The term and termination provisions of the BullsEye/Verizon agreement shall govern SBCS' adoption of the Terms. The adoption of the Terms is currently scheduled to expire on June 10, 2005.

3. As the Terms are being adopted by you pursuant to your statutory rights under section 252(i), Verizon does not provide the Terms to you as either a voluntary or negotiated agreement. The filing and performance by Verizon of the Terms does not in any way constitute a waiver by Verizon of any position as to the Terms or a portion thereof, nor does it constitute a waiver by Verizon of all rights and remedies it may have to seek review of the Terms, or to seek review in any way of any provisions included in these Terms as a result of SBCS' 252(i) election.
4. Nothing herein shall be construed as or is intended to be a concession or admission by Verizon that any provision in the Terms complies with the rights and duties imposed by the Act, the decisions of the FCC and the Commissions, the decisions of the courts, or other law, and Verizon expressly reserves its full right to assert and pursue claims arising from or related to the Terms.
5. Verizon reserves the right to deny SBCS' adoption and/or application of the Terms, in whole or in part, at any time:
  - (a) when the costs of providing the Terms to SBCS are greater than the costs of providing them to BullsEye;
  - (b) if the provision of the Terms to SBCS is not technically feasible; and/or
  - (c) to the extent that Verizon otherwise is not required to make the Terms available to SBCS under applicable law.
6. For avoidance of doubt, please note that adoption of the Terms will not result in reciprocal compensation payments for Internet traffic. Verizon has always taken the position that reciprocal compensation was not due to be paid for Internet traffic under section 251(b)(5) of the Act. Verizon's position that reciprocal compensation is not to be paid for Internet traffic was confirmed by the FCC in the Order on Remand and Report and Order adopted on April 18, 2001 ("*FCC Internet Order*"), which held that Internet traffic constitutes "information access" outside the scope of the reciprocal compensation obligations set forth in section 251(b)(5) of the Act.<sup>1</sup> Accordingly, any compensation to be paid for Internet traffic will be handled pursuant to the terms of the *FCC Internet Order*, not pursuant to adoption of the Terms.<sup>2</sup> Moreover, in light of the *FCC Internet*

7. Should SBCS attempt to apply the Terms in a manner that conflicts with paragraphs 3-6 above, Verizon reserves its rights to seek appropriate legal and/or equitable relief.
8. In the event that a voluntary or involuntary petition has been or is in the future filed against SBCS under bankruptcy or insolvency laws, or any law relating to the relief of debtors, readjustment of indebtedness, debtor reorganization or composition or extension of debt (any such proceeding, an "Insolvency Proceeding"), then: (i) all rights of Verizon under such laws, including, without limitation, all rights of Verizon under 11 U.S.C. § 366, shall be preserved, and SBCS' adoption of the Verizon Terms shall in no way impair such rights of Verizon; and (ii) all rights of SBCS resulting from SBCS' adoption of the Verizon terms shall be subject to and modified by any Stipulations and Orders entered in the Insolvency Proceeding, including, without limitation, any Stipulation or Order providing adequate assurance of payment to Verizon pursuant to 11 U.S.C. § 366.

Reviewed and agreed as to paragraph 1. SBCS does not necessarily agree with Verizon's positions in their entirety as stated in paragraphs 2 through 8 above. SBCS asserts that to the extent such paragraphs are not contained in the agreement SBCS is adopting via its statutory rights under section 252(i), those paragraphs may reflect the Verizon position, but are not binding on SBCS.
